Subject: Request for Extension on Assignment Submission Deadline

Dear Professor [Professor's Last Name],

I hope this email finds you well.

My name is Raju Kumar, and I am a student in your Digital literacy course.

I am writing to respectfully request a short extension on the submission deadline for the project that is currently due on 10th march Unfortunately, due an unexpected family emergency I have not been able to complete the assignment to the best of my ability by the original deadline.

I am fully committed to submitting high-quality work and believe that an extension of 3–5 days would allow me to deliver the project at the standard I aim for in your course. I would be grateful if the new deadline could be set to 14th march.

I understand that extensions are granted at your discretion, and I am happy to provide any additional information or documentation if needed. Please let me know if there is anything else I can do to support this request.

Thank you very much for your time and understanding. I truly appreciate your guidance in this course and look forward to your response.

Best regards,

Raju kumar
